

Assignment-1

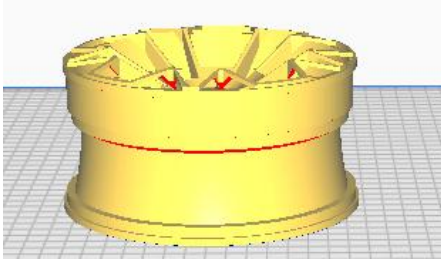

Figure: Orientation 1

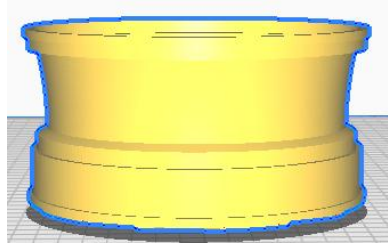

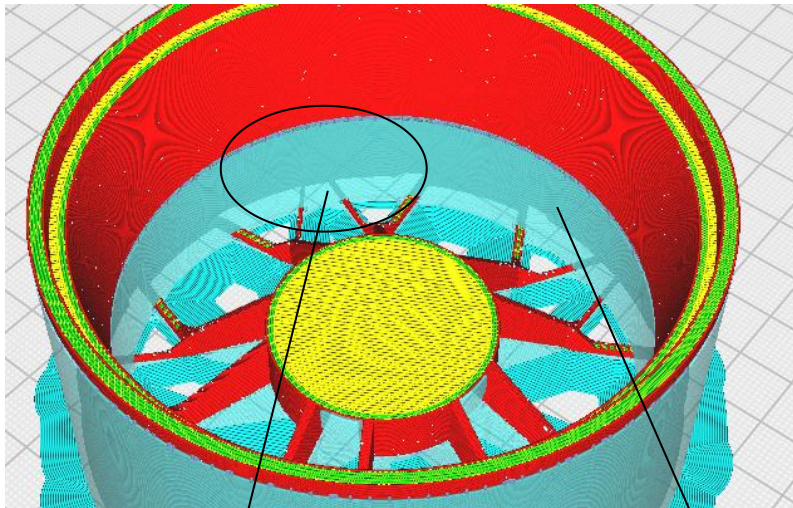

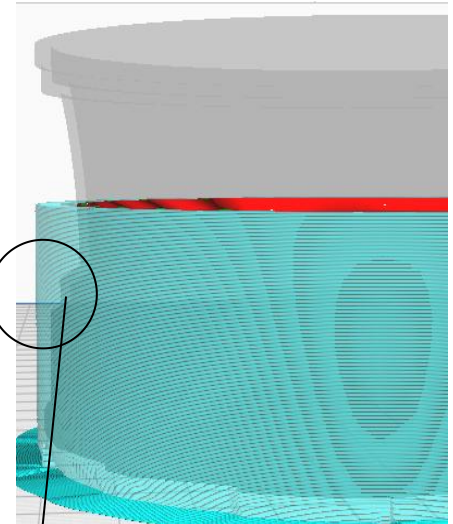

Figure: Orientation 2

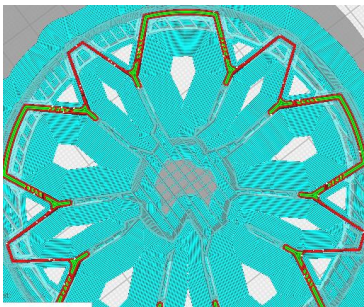

By looking at this I thought spoke features are missed, later I realized spokes under the support material

Support material

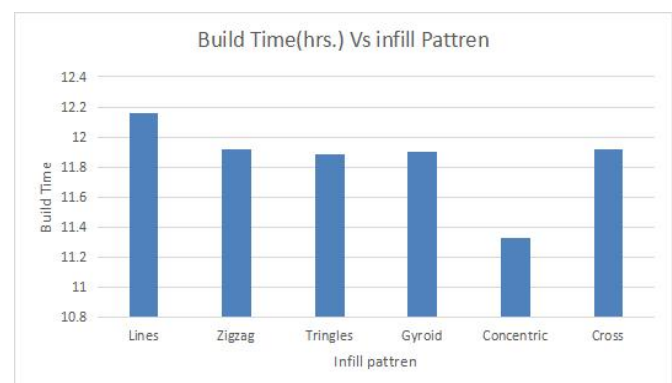

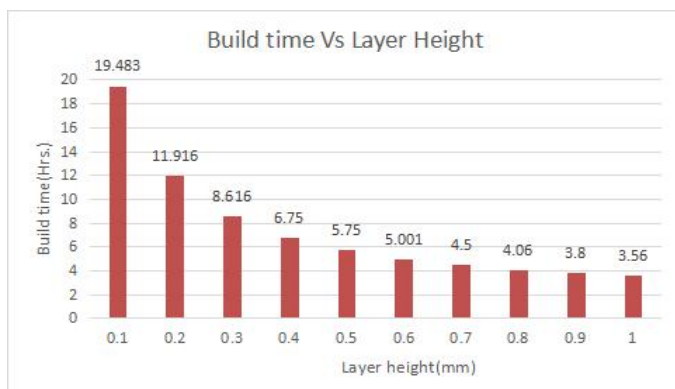

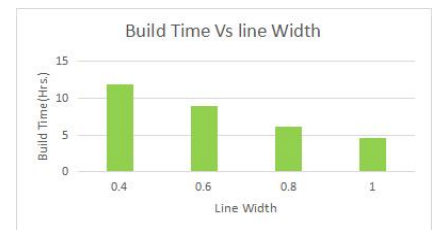

To build this ,supports required. That supports exactly sat on the spokes as like in the left side figure

Spokes visible

	Build time
Orientation 1	1 day 16hrs.
Orientation 2	11hrs 55mins.

Note: This graphs for Orientation 2
